How did you hear about Arganica?

Your orders are delivered in our sturdy wooden crates, which are hand made here at our farm. Please make sure you leave the previous week's crate out for us to pick up. We have to charge \$20.00 for unreturned crates. We'll also pick up your empty (rinsed) glass milk bottles, empty seltzer bottles, and your bagged table scraps if you'd like to contribute to our composting.

Arganica always strives to fulfill 100% of each order, however, some items may be out of stock or sold out on occasion. If this occurs, you will only be billed for what you receive.

After we receive this completed form, we'll email the food order form to you for the current week. We will also post it on the "This Week" page of our website for download. Please complete and return it to us by Monday night (midnight) to receive your Thursday delivery.

We will happily accommodate late orders whenever possible. Thank you for joining Arganica Farm Club!
